

Dear Customer,

You are here on the new download portal of the

Berner Kochsysteme GmbH & Co. KG.

Please read the following lines and follow the listed points.

- Compare if the type of the device with the downloaded documents fit.
- use only the Data for your desired or ordered mount in version

Version A (with high-grade steel bearing frame) or

Version B (area flush with high-grade steel frame).

Attention booth Versions have different dimensions for the cut out and build in size.

- Please note the required installation provisions for Berner built-in appliances. Failure to follow these regulations, on any devices will void your warranty.
- The documents are not universal, but are always awarded after the order.
- Please only download the data from the current order confirmation.
- All contents are protected by copyright and may only be used for installation purposes.
- Subject to technical changes.

If you have any questions, please call 00498316972470 or Mail to

dokumentation@induktion.de

Best Regards Berner Kochsysteme GmbH & Co. KG
